

## Painting Department

This department offers services from corrosion removal to complete aircraft painting. Additionally the personnel have extensive experience in aircraft interior restoration, and project management with more than 15 years working with aircraft such as :

- CESSNA
- PIPER
- FAIRCHILD (SA 226-227)
- DIAMOND
- BEECHCRAFT
- TECNAM
- SOCATA
- PARTENAVIA
- MOONEY

Together with the structural and avionics departments we offer a full rebuild service.

An executive air transport repainted with the client's preferred and unique design. Full quality inspections through-out, from bare metal to final topcoat. Aviation specific paints used.

**Cessna 421**

The painting area is equipped with extractor fans to allow larger aircraft to be painted.

From Cessna 150 Aerobat, Caravan 208 through to Cessna 500 Citation we can offer an excellent finish and a competitive price.

**Metro SA227**
